

SOCIAL ACTION GOES to the MOVIES

A film series to inform, engage and empower!

CATCHING THE SUN

“Catching the Sun” shines a solar-powered light on confronting climate change in ways that bring renewable energy, new jobs and job-training. This New York Times Critics’ Pick focuses on an American worker, community activist Van Jones, a Chinese solar entrepreneur, and a Tea Party solar advocate.

Saturday, Feb. 25, 7:00 pm
Congregation Shomrei Torah

Panel discussion: **Geoffrey D. Smith**, Coordinator, Solar Sonoma County, a program of the Center for Climate Protection; **Laura Goldman**, solar educator and consultant, and VP, Solar Works; **Tor Allen**, Executive Director, The Rachus Institute; **Alana Macken**, Youth Advisory Board, Center for Climate Protection.
